TechnoWiz 2024-25

Dear Parents,

Namaskar!

I hope this letter finds you and your family in good health and spirit.

Excitement fills the air as we proudly unveil the upcoming edition of our annual IT extravaganza, TechnoWiz 2024, set to dazzle on **Wednesday, April 10, 2024**, across various computer labs. This year promises an exhilarating array of activities designed to challenge and expand your IT prowess.

Prepare to dive into a realm of spirited competitions, ranging from coding marathons to video editing showdowns, from brain-teasing quizzes to captivating image editing challenges. Whether you're a seasoned tech aficionado or just dipping your toes into the digital ocean, there's something for everyone.

Calling upon all the bright minds of classes X and XII with an affinity for IT – seize this golden opportunity to unleash your talents and ingenuity onto the TechnoWiz stage. Let your skills shine, and let your creativity soar as you make your mark on this electrifying event.

Carefully go through the attached event details and check, in which you would want to be a part of. Registration gates are now wide open, beckoning you to secure your spot in the spotlight. Don't miss out on the chance to be part of something extraordinary. Hurry and sign up by clicking on the following Google Form link **before Sunday, April 7, 2024**:

https://forms.gle/zW5fgho6spwsuBeS7

We eagerly anticipate your presence at TechnoWiz 2024, where innovation meets inspiration, and the future of IT is in your hands.

Warm regards,

Computer Science Department
