

Clay Moulding Activity

To explain the method of pot making an activity was conducted in Grade III.

A handful of clay was taken in a bowl. It was kneaded with the help of water and a ball of clay was prepared. A hole was made in the centre of ball. A round pot was prepared by the students.

Children enjoyed the activity and actively participated in it.

Handwriting Competition

Writing is a medium of human communication that represents language through the inscription or recording of signs and symbols. In most languages, writing is a complement to speech or spoken language. Writing is not a language but a form of technology.

Keeping this in mind **Handwriting Competition** was conducted in Grade I – V. All the students participated enthusiastically.
