

My Mother is My Hero

A mother is like an angel in every child's life. To mark the importance of **Mother's Day**, tiny tots of Grade Pre School and Pre Primary were told about the importance of mothers in their lives. To show a gesture of love every child was explained and taught that they would wish their mothers "**Happy Mother's Day**" and "**My Mother is My Hero**" on 10.5.15 i.e Sunday. Colouring activity was conducted for them in their art books on the page mother's day. The tiny tots enjoyed the activity and promised their teachers to wish their mothers with the slogans taught.
