

INTERNATIONAL FAMILY DAY

The International Day of Families, annually held on May 15, celebrates the importance of families. Family is where we all belong to and from where our identity comes from. It is our family that keeps us together. Without family, a person is incomplete and the completeness comes with good family bonding.

Keeping this in mind, card making activity was conducted from **Grade Pre School-V**. All the students made beautiful cards for their families. It was a fun loving activity and everybody enjoyed it.

NEVER ENDING PARTY

Birthdays are real joyful day for every child. This is the day when child feels excited and thrilled.

Keeping all this in mind, every child's birthday is made special here at school. Today there was a cake cutting ceremony for the May born babies of **Grade Pre School & Pre Primary**. The tiny tots enjoyed the ceremony and the cake party a lot.
