

NEWS OF THE DAY

Special Assembly - World Health Day

The school observed the 'World Health Day' wherein an assembly was organised by the Science department for the students of classes VI to VIII. The assembly included a speech on the importance of world health day. A poem and a skit were presented by students of class VII & VIII for creating awareness among the students for staying fit and healthy. The middle wing head Mr. Krishnendu Bhattacharjee inspired them on the importance of cleanliness and wished them luck. The special assembly reinforced the importance of a balanced diet and food safety.
