

READATHON (STD-I)

With an aim to inculcate confidence and develop skills of oratory and better articulation 'Readathon' was organized for the students of Std.-I. All the students participated enthusiastically in the competition. They all read the passage from the sources provided by the teacher. The competition gave an opportunity to the reluctant readers to develop interest in reading. The efforts of all the kids were appreciated and the winners were decided on the basis of pronunciation, fluency and confidence.
