

NEWS OF THE DAY

Morning Assembly (STD-II)

Today's morning assembly based on the theme 'Navratri' was well conducted by the students of II-C. The assembly commenced with the prayer followed by the school song, thought of the day, poems, information and national anthem. The well presented information and poems left the listeners mesmerized. All the participants spoke confidently and nicely.

Madhubani Painting (STD-V)

The students of Std-V learnt about the various ways and aspects of Madhubani Painting in art today. The kids tried to create eye catching geometrical patterns using the newly learnt painting form. It was really nice to see them putting their creativity through Madhubani Painting.

EVS-A--Phases of Moon(STD-V)

The students of Std-V were explained about different phases of moon through various methods. An activity wherein children were asked to draw the phase of the moon on the hanged coloured ball really helped in making the concept clear and interesting. The moduled played at the end of the session added more to their knowledge.
