

# “DESCRIPTON OF THINGS”

In Grade 2, a playful activity was conducted where the little talented kids were taught the concept of “Describing Things”. In this activity, the chits with the words like tree, tall, the, is, favorite and my written were distributed to the students. The students were asked to make a sentence using these words. Further more and more words were introduced and children came up with wonderful sentences. The entire activity conducted for introducing naming and describing words was a great success. Children understood the concept and enjoyed the playful method of teaching learning.
