

## **SPECIAL ASSEMBLY (PRE-PRIMARY)**

### **HAPPY GREEN DIWALI**

**Today, the special assembly was undertaken in the school by Pre-Primary children on the theme Green Diwali. The children staged a small skit on Green Diwali, by emphasizing why there is a need to celebrate Green Diwali and what are the traditional ways to celebrate this festival of lights. Few children recited a melodious rhyme on Diwali with great zeal and enthusiasm. Students also used various slogans like *Say no to crackers, Celebrate green Diwali* etc. to educate all. The main purpose was to make all of us aware that there is a need to take adequate steps to reduce pollution and to save our mother earth. Special assemblies not only give us a platform to overcome our stage fear, but also create an alert about the pros and cons of any social events. The assembly was a great success and taught everyone –“No Crackers, only Lights and Sweets this Diwali.”**
