

*To inculcate speaking skills and building confidence in little Vivians Show and Tell Activity was conducted for Grade Pre School & Pre Primary. The topic given to them was “My Favourite Toy”. The tiny tots brought their favourite toy from home & spoke few lines on it. Vocabulary enrichment is the best way to build the confidence in children. Keeping this in mind Show & Tell Competition was conducted for Grade I-III. The theme of the competition was Summer Season where the students came with a variety of objects like watermelon, A.C., juice, water etc and elaborated about the object with lot of confidence, facial expression and voice modulation. Each student's presentation and confidence was superb. It was a successful event.*
