

“BIRTHDAY CELEBRATION”

Birthday celebration is a special occasion for every child. Our school celebrated birthday's of October born students of Grade Pre-School and Pre-Primary. The tiny tots enjoyed the cake-cutting ceremony with their teachers and friends. This inculcates sense of sharing among the kids.

“CLEANLINESS DRIVE”

“Cleanliness is next to Godliness”, the most saying brings enlightenment to the importance of sanitation and cleanliness in our mind. Cleanliness drive was initiated from Grade I-V to make students realize its necessity in our daily routines. The students were made to clean their surroundings on their own. Students wiped up the floor and cleaned windows of their respective classes. They were also made to clean their desks. The students participated with great zeal and enthusiasm.
