“Out in the garden”- Field trip of students

To give our children a hands on experience related to plants, students of class III to V were taken on a visit to school garden on 01/10/18 (Monday).The objective of the visit was to inculcate the love for the environment and to relish the beauty of nature. Children enjoyed the stroll through the shady trees and green sunny lawns. Park has a grassy plot and circular passage in the middle. Children had a good time in the garden which is veritably a paradise on earth.
