## **Role Model Competition**

**“Children are great imitators, give them something great to imitate.”**

In order to accomplish this endeavour, a Role Model Competition was organized on 10th August, 2018 for the students of Grade I to III. The purpose was to make the students aware that **Role Models** are important as they inspire us to make a difference in our lives. Participants enthusiastically researched on their respective role models and spoke at length about them. Resplendent in their costumes and glowing in all their finery, they emulated the renowned freedom fighter, great leaders, sports persons, legends and their role models like Rani Laxmi bai, Narendra Modi, Malala Yousafzai etc with confidence and passion. All the students participated with great zeal and enthusiasm and displayed their oratory skills.
