Visit to Post Office

Excursions are means of educating ourselves on how certain things work and how we rely on certain services. The students of Pre- School and Pre- Primary of had a wonderful visit to the Post-office at Krishna Nagar near Karkardooma. The Head Postmaster briefed the students about the complete working. They were taken around to see how letters are collected, segregated, stamped and then stored in pigeon holes for the postmen to collect. It was delightful to see the excitement on the student's faces as they were posting the envelopes in the post box. The students really had a great experience.
