

NEWS OF THE DAY

White colour Day

- With an objective to recapitulate and reinforce the effects of white colour, Grade Pre-School and Pre- Primary celebrated “White Day” on 12th July 2017.

3-D shapes

- The students of Grade IV-A had done an activity on 3-D shapes. The different 3-D paper nets were given to students & they made the 3-D shapes on their own & identified the faces, edges & corner of that particular shape.
