

NEWS OF THE DAY

MS WORD COMPETITION

A 'Poster making in MS Word' competition was organized for the students of class IV on 13th February 2018. The main objective of the event was to engross the hidden talent of the students and offer them a platform to showcase their skills. The children expressed their views and thoughts about different topics by including slogans and quotes in their posters. The children participated earnestly in the competition. They came up with amazing creativity.

POWERPOINT COMPETITION

Technology affects all aspects of our lives and the children of today are the leaders of tomorrow. We, at Vivekanand School encourage the young Vivians to explore their true potential by awakening their passions and cultivating their talents. Organization of interclass PowerPoint competition for the students of class V was just another step in the same direction. The competition was held on 13th February 2018. The students included a combination of text, still images, animation, video, and interactive content forms to create astonishing power point presentations.
