

## **COMMUNITY HELPER (DRIVER)**

Today i.e 13/01/2017 the little ones of Pre – School and Pre- Primary met the community helper the school bus driver who visited their classes and explained them that he is committed to keep them safe. He explained the tiny tots about his job and also explained them about the do's and don'ts while travelling to and fro by their school bus. The visit was quite an informative one. In the end the little ones thanked him for keeping them safe.
