

Paper Tearing And Pasting Competition

Pre School & Pre Primary

Art and craft activity fascinates small children and develops their imagination and creativity. These activities enhance passive learning, encouraging the ability to create artistic things. To encourage this, Vivekanand School organized a "Paper Tearing and Pasting Competition" for Pre School and Pre Primary on 14th August 2017.

Students of Pre School and Pre Primary were given printed sheets of an "Umbrella" and a "Car" respectively for the competition.

They tore different coloured origami paper into small pieces and carefully pasted them within the outline of the artwork. The objective of the competition was to strengthen the fine motor skill especially the pincer grip.

It was a tough task for the judges to select the best artworks on the basis of neatness and overall impression of the artwork.

The winners are as follows:

| Pre School A | |
|--------------------------|----------|
| Name of the participants | Position |
| Shivansh Yadav | I |
