

# **NEWS OF THE DAY**

## **Words with sounds 'ch' and 'sh'**

To make the phonetic sounds more clear and to enrich their vocabulary, Students of Grade I did an interesting activity on the topic “Letter Teams sh and ch”. They first read the poem given in their reader book and then they searched for ch and sh words from the given poem. Students were also able to make more meaningful words with the given sounds. Students actively participated and enjoyed the session.
