

“SPORTS WEEK”

The moment of victory is much too short to live for that and nothing else,” said Martina Navratilova, tennis player. Apart from commemorating victories, sports meets also aim at imparting lessons on sportsman spirit and camaraderie to children. Sports themselves have a vital role in making a child sound physically as well as mentally. The school playground of Vivekanand School, Preet Vihar was filled with great zeal, excitement and frolicsome atmosphere as the school celebrated its Annual Sports Week. Our School Principal Ms. Neelam Gupta declared the sports week open and motivated all the students to take part. A successive series of races took place including quarter finals, semifinal and at last finals which was followed by medal distribution. Our respected Principal Ms. Neelam Gupta awarded winners with their medals at the end of the week. The school Principal applauded the efforts of the students and the teachers for making the event a huge success. The day ended with a cheerful note and also filled with promises for all the young sports enthusiasts.
