Movie Show

Movies can and do have a tremendous influence in shaping young lives in the realm of entertainment towards the ideals and objectives of normal adulthood. Keeping this in mind, as part of a recreational trip, on 23rd July 2018 the students of classes IV and V were taken for a special screening of the popular movie “**Skyscraper**”. The movie was an engagement of both educative and informative view towards life and its related perspectives in the realms of children. It was a fun-filled day with a great learning experience for them.
