

## **Visit by Milkman**

Today i.e 27-2-2017 Milkman the community helper visited the tiny tots of Pre-School and Pre-Primary. The little ones were explained that how important milk is for them.

They were also told milk helps them to fight diseases, it helps in rebuilding their body cells and also helps in building their muscles and maintain their hair and nails healthy .The little ones promised to drink milk two times daily. They were very happy to be a part of the talk show with the milkman and their teachers.
