

## **“ENGLISH POEM RECITATION COMPETITION”**

As we all know, poems are meant for enjoyment. Beauty is the realm of poetry and a child enjoys the expressions, thoughts, feelings, rhyme, rhythm and music of words. Considering all these facts the little ones of Grade Pre School and Pre Primary got an opportunity to exhibit their talent and confidence with a lot of zeal and enthusiasm through a platform provided to them today i.e. 28/7/16. The students sang the rhymes rhythmically and confidently. They were all dressed up according to the theme **SEASONS** and presented their show with suitable, attractive and colourful props. The content part and presentation skills of the tiny tots was outstanding.
