

# **SPECIAL ASSEMBLY**

## **TOPIC - WINTER SEASON**

As always assemblies are an interactive medium of facilitating learning, the little Vivians of Pre School presented a Special Assembly on 29 November, 2016 on the theme “Winter Season” . The children were covered with cut-outs, and wore headgear as well as carried props related to Winter Season. They looked colourful and came across very confidently to present a winter rhyme & educated all of us regarding the winter veggies & fruits. Each child spoke a few lines describing the winter related objects with articulation and poise. Delightfully, every child performed enthusiastically.
