## **SHOW & TELL ACTIVITY**

Show and Tell is one of the simplest activity that young students can engage in. It was conducted with a view to develop the cognitive and creative skills of the students and comprehend a child's imagination and spontaneous ability to translate their thoughts and ideas into words. So keeping this in mind, Show n Tell activity was conducted for the students of Grade Pre-School and Pre-Primary on 30<sup>th</sup> July, 2018. Their topic was Summer Season. All the children participated enthusiastically showcasing their hidden talents.
