

NEWS OF THE DAY

Visit By Doctor

Growing children need proper guidance for healthy growth, upkeep & hygiene. Having a special guest visit the classroom would help; ink the memory & lessons in their minds. To fulfill the above objective a doctor's visit for Grade Pre -School & Pre- Primary was organized at Vivekanand School today i.e. 04.05.2018.

Beat The Heat

Students of Grade II found a healthy way to beat the heat in this sun-drenched summer by a refreshing lemonade activity. During this activity, the students not only refreshed themselves but also said, 'NO TO SOFT DRINKS'. Teachers also demonstrated the procedure of making lemonade and children also participated with lots of enthusiasm. It gave them hand in experience of making a glass of lemonade.
