

NEWS OF THE DAY

- **Swings Time**

Tiny tots of Pre-School-A had lots of fun on the swings today i.e 05.04.18.They were very thrilled & cheerful.

- **Structure of Seed & Seed Germination**

The students of Grade V-A & V-B brought soaked rajma seeds to study the structure of seed. The children observed the baby root or radicle coming out from the sprouted chick-pea.
