

“ANIMALS-OUR FRIENDS”

Grade I students had a fun filled day. Where they had a role play activity on different animals. The little vivians participated in the role play with confidence and grace. The students depicted that all the animals are their friends and they should help them in every situation. The students actively participated and understood the importance of friendship. They all were very excited for the activity. Such platforms provided from time to time at school helps the little ones in developing their personality and speaking skills.
