

“IT’S ALL ABOUT ME”

It was a fun filled day for the tiny tots of Pre School and Pre Primary where the little talented kids participated in the “All about Myself Competition” which was organized in the school under the supervision of teachers. The tiny tots showed confidence and grace. The participants were dressed up very beautifully along with the suitable props. They were very excited to speak lines on the same. They participated with their zest and zeal. The competition was conducted not only to blend learning with fun but also to develop confidence.
