CIRCULAR FOR INTERACTION PROGRAMME (Pre-primary)

Dear Parent,

Namaskar!!

Parents are considered to be the prime partners along with the school in a child's education and all round development. In order to bring out the best in each child, we aim to paint the grey areas commonly being faced by the teachers and parents, by guiding the parents in a constructive and structured manner who, in turn, can help their children do better.

The interaction-cum-training session will primarily enlighten you on the desired ways of guiding your child towards following the correct strategies for better handwriting and for bringing about improvement in fine motor skills.

The session will also serve to throw light on the various developmental activities like Subject Methodologies, IPL, Word List, Reading Hour, Value Tracker, etc. being conducted so that parents could guide and practice a few of these at home too.

PLEASE NOTE :-

- It is advisable for both parents to attend the session.
- Parents should come with a small notepad and a pen to take down the key points.
- Attendance of parents in these sessions will be kept as record that will reflect in the child's report card.
- The session will be conducted on 15th April, 23 in two slots:
Roll No. 1 to 25 - 8:30 am -10:00 am
Roll No. 26 onwards - 10:30 am -12:00 pm
- Parents are requested to kindly adhere to the above mentioned timings.
- All parents would be expected to follow all COVID protocols and wear their masks while they are at school.

So, let's take a step towards Collaborative Learning-Teaching process, to help us help your ward better work together and let us turn the grey areas greener.

Looking forward to your kind co-operation.

Warm Regards

Headmistress
