EMPATHY IS THE HIGHEST VERSION OF KNOWLEDGE PROJECT SEWA- A MISSION TO SERVE THE COMMUNITY

Dear Parents

Hope you are doing well in health and spirits.

SERVICE TO HUMANITY, as embedded in the school's mission and vision, has always been reflected in its philanthropic endeavors, to connect the students with society. **Roti Bank, Donate a Book, Light up a Life** are some of the many humanitarian initiatives, already in practice, which are aimed to instill the virtue of benevolence and ethics of sharing, amongst students.

Perpetuating its pursuit for serving a charitable cause, the school has come up with a new venture – **Project Sewa - a Community Kitchen to serve meals to the destitute**. This holy service will be conducted **by the students** of every class, once in a year, by taking the responsibilities in rotation.

The service will be supervised under the guidance of the Class Teacher of a specific class, who will delegate the duties for **SEWA** to all the students evenly. The menu for the **SEWA** will be **Poori, Aaloo, Sabzi and Halwa**. The parents are requested to send the ingredients, assigned to the child, to facilitate the preparation of the **langar**. Finally, the **Prasad**, thus prepared from their contribution, will be donated by the students, themselves, to the disadvantaged sections of the society.

LANGAR SEWA is scheduled on **May 1**, with its service to be offered by the students of **Class V**.
