## CIRCULAR FOR INTERACTION PROGRAMME (Class- I & II)

Dear Parent,

Namaskar!!

Parents are considered to be the prime partners along with the school in a child's education and all round development. In order to bring out the best in each child, we aim to paint the grey areas commonly being faced by the teachers and parents, by guiding the parents in a constructive and structured manner who, in turn, can help their children do better.

The interaction-cum-training session will primarily enlighten you on the desired ways of guiding your child by following the correct methodology to be adopted while teaching.

The session will also serve to throw light on the various developmental activities like Value Tracker, No excuse List, Language Safari, Show n Tell, Spell O Champs, Math Olympiad etc. being conducted so that parents could guide and practice a few of these at home too.

### PLEASE NOTE :-

- It is advisable for both parents to attend the session.
- For smooth conduction of interaction session, it is advisable not to get children along.
- Parents should come with a small notepad and a pen to take down the key points.
- Attendance of parents in these sessions will be kept as record that will reflect in the child's report card.
- The session will be conducted on 11th May, 24 (Saturday) in two slots:  
Roll No. 1 to 25 - 8:30 am sharp  
Roll No. 26 onwards - 11:30 am sharp
- Parents are requested to kindly adhere to the above mentioned timings.

So, let's take a step towards Collaborative Learning-Teaching process, that can help us in achieving the overall development of your ward.

Looking forward to your kind co-operation.

Warm regards

**Deepa Vijay**  
Headmistress
