HEALTH AND HYGIENE WORKSHOP FOR MOTHERS AND DAUGHTERS

Dear mothers,

We are pleased to inform you that we will be hosting a health and hygiene workshop on 8th May, Monday, at 9.00 am in the school auditorium. The workshop is designed to educate young girls on the importance of maintaining good personal hygiene and the necessary measures to keep their bodies clean.

The workshop will cover various topics such as menstrual hygiene, proper hand washing techniques, body care routines etc. We believe that these topics are crucial for young girls to learn and understand, as they play a significant role in maintaining good health and preventing diseases.

We strongly encourage you to enroll yourself in this workshop and understand the importance of maintaining good personal hygiene. The workshop will be conducted by experienced professionals in the field of health and hygiene, and you will have the opportunity to build a stronger mother-daughter bond.

Please register your name by 6th May to ensure a spot in the workshop.

We look forward to seeing you and your daughters there!

Best regards,

Headmistress
