## Viv Lit Fest - Literary Festival at Vivekanand School

Dear Parents,

We are thrilled to announce that our school is organizing “Viv Lit Fest”, the biggest literary festival ever, on 6th May in the school premises. The event promises to be a fascinating and engaging experience for our students.

The festival will feature four exciting panel discussions on various literary topics, including “Art of Storytelling”, “Publishing in Digital Age”, “Power of YA Fiction”, and “How Books Shape Culture”. We are inviting renowned authors, publishers, and literary critics to share their insights and expertise in these discussions.

Alongside the panel discussions, the event will also host three workshops on “Art of Writing Stories”, “How to be a Published Author” and “Publishing Process” where students can learn from professional writers and develop their writing skills. These workshops will be conducted by experts in the field, providing valuable guidance and tips for aspiring writers. Students can register for these workshops latest by 2nd May through this Google link:

In addition to the panel discussions and workshops, the event will also feature an exhibition showcasing books of different genres. This exhibition will provide an opportunity for students to discover new genres and authors and encourage them to explore the vast world of literature.

We believe that this festival will offer a unique and enriching experience for our students. We encourage all parents to support the event and encourage students to participate.

Thank you for your continued support and involvement in our school's literary activities.

Sincerely,

Literary Council
