## Rails Museum Visit (Preschool and Preprimary)

Dear Parent

Namaste!!

We are excited to inform you that the excursion committee of Vivekanand School has organized a visit to the National Rails Museum for our students of Preschool and Preprimary on 13.05.23. The excursion is a part of our efforts to enhance the learning experience of our students and provide them with exposure to various modes of transportation.

The Railway Museum is an excellent opportunity for students to learn about the history and technology of trains. We have arranged for a guided tour of the museum, which includes exhibits of different locomotives and train cars. The tour will be led by experienced guides who will provide interesting insights into the history and workings of trains. The students will be accompanied by our trained staff.

We would like to request your cooperation in making this excursion a success. On the day of excursion, **the parents will be required to drop the students to the school by 8:15 am and pick up their ward from the respective classrooms at 2:00 pm.** Please note that no buses routes will ply on the day of the Visit to National Rails Museum. We request all parents to send their children in the school uniform with I-card. The children will be served juice and muffin during the trip. They need to bring lunch and water bottle only. All belongings of the child should be labeled.

We hope that this visit will be an exciting and educational experience for our students. It will give them an opportunity to learn in a fun and engaging way.

Thank you for your continued support.

**Headmistress**
