S.U.P.W Activities (Classes XI Session 2023-24)

Dear Parent,
Namaskar!!!

We hope this letter finds you well. We are writing to inform you about the upcoming Socially Useful Productive Work (SUPW) classes that your child will be attending during the ongoing session.

As you may be aware, SUPW classes aim to develop various life skills, including teamwork, leadership, problem-solving, communication, and decision-making. Through these classes, students are encouraged to engage in productive activities that benefit both the society and the environment. The skills acquired during these classes can prove invaluable to your child throughout their life.

In the coming weeks, your child will be getting an option to choose from various SUPW activities. These activities will be conducted under the guidance of our experienced teachers, who will ensure that your child gains valuable learning experiences in a safe and controlled environment.

We would encourage you to speak with your child about their SUPW classes and take an active interest in their activities. You can also support their learning by discussing their experiences, encouraging their participation, and offering suggestions for improvement, to enable each pupil to gain maximum benefit from the provision being offered. Your ward must fill the SUPW ACTIVITIES PROFORMA accurately according to the order of their preference (refer to the list of SUPW activities at the bottom).

Go through the following important points:

1. SUPW Activities Selection Proforma is available online on the school ERP.
 - a. Login to the school ERP
 - b. Click on "SUPW Preferences Tab" available on the top.
 - c. Fill the proforma
 - d. Click on save.
2. Each child is eligible to be a part of only one activity.
3. In the given proforma, each student is required to give the names of the activities of their choice in the order of preference i.e. first choice, second choice and third choice
4. Students are required to make sure that their 2nd preference is a non-sports activity, in case, any one out of the first and third choices, is a sport activity.
5. Students cannot choose 3 preferences from the sports category.
6. The Activity will be allotted as per preference and availability of seats (with the exception of a few, where selection is on the basis of trials).
7. Trials for selection into an activity (wherever applicable) will be conducted and the schedule for the same will be shared with the students who select the respective activity which will be needing trials.
8. Activity once allotted to the child will not be changed during the entire session.
9. **The last date of submission of the SUPW Activities Selection Proforma is 25 May 2023.**
10. The child will lose the chance to get enrolled into the activity of his/her choice in case of delayed submission of SUPW Form.
11. Students will be graded on the basis of their performance in each SUPW period. Final grades will be reflected in the report card in each of the terminal exams.
12. Students have to bring their own material/ kit/ resources (wherever applicable) required for the activity.
13. **Please note** that if a student is found bunking or indulging in any misconduct during the SUPW classes, strict disciplinary action will be taken against the defaulter and he/she shall be debarred from that activity. In case the offense is repeated, the school holds the rights to debar the student from SUPW Program for the entire session.

In order to recognise the outstanding performance, achievements and contribution of our students during SUPW, the school has decided to acknowledge their efforts during the Annual Achievers' Award Ceremony from the session 2023-24 in the following categories:

- Best performers in each activity will be duly awarded and recognized by the management
- A special Recognition Award will be given to student(s) for demonstrating commendable progress in their respective activities during the entire academic year.

If you have any questions or concerns regarding the SUPW classes, please feel free to contact us. We are always happy to hear from parents and appreciate your continued support.

Warm Regards

Principal (Officiating)
