## **SELECTION OF THIRD LANGUAGE FOR CLASS VI (Session 2024-25)**

Dear Parents/ Guardians of Class V Students (Session 2023-24),

I trust this letter finds you well. As we approach the transition to the next academic year (2024-25), we would like to inform you about an exciting opportunity for your child regarding the selection of a third language for Class VI.

In the current academic session, we have introduced a glimpse of Sanskrit, French, German, and Spanish to our Class V students. This initiative aims to help them make an informed decision about which third language they would like to opt for in Class VI (2024-25).

To streamline the selection process, we have created a Google Form where you can indicate your child's preferences for third language. The link to the Google Form is <https://forms.gle/ycSJsK8H9Cs4RsHn9> and we kindly request you to fill in the form by 29th January 2024.

Additionally, we would like to emphasize that, to be eligible for opting any of the three foreign languages (French, German, or Spanish), your child must secure a minimum of 75 percent in English in the ongoing Class V (Session 2023-24). Failure to meet this criterion will result in the default assignment of Sanskrit as the third language.

Importantly, once students have selected or been assigned a subject, changes will not be allowed until class VIII. Your subject choice is a commitment for this period.

Thank you for your cooperation in making this process smooth for both you and your child. Should you have any questions or concerns, feel free to reach out to us.

Best Regards

**Headmistress**
