APAAR ID CIRCULAR

Dear Parents

Namaste!

We wish to inform you about the **Automated Permanent Academic Account Registry (APAAR) ID**, an initiative of the Ministry of Education under the 'One Nation, One Student ID' programme, aligned with the **National Education Policy (NEP) 2020**.

The **APAAR ID** is a unique **12-digit identification number** assigned to students across India. It serves as a **lifelong academic passport**, enabling students' academic achievements, credentials and records to be securely consolidated at one place. It will facilitate seamless academic tracking and management of educational documents throughout a student's academic journey.

For detailed information regarding APAAR ID, its benefits, data security and the registration process, parents may visit the official website:

[APAAR Official Website] (https://apaar.education.gov.in/?utm_source=chatgpt.com)

Action Required from Parents-

Parents whose child's APAAR ID has **not yet been generated** are requested to:

1. Complete and sign the **APAAR ID Consent Form** given to your child from the school.
2. Submit the duly signed consent form to the **Class Teacher**.
3. Submit a **photocopy of the child's Aadhaar Card** along with the **parent's/guardian's ID proof**.

- Parents who already have the child's APAAR ID generated are required to submit the proof regarding the same.
- The child's APAAR ID can be accessed through their **DigiLocker** account.

We request parents to kindly ensure timely submission of the required documents along with the consent slip given to your ward from the school, so that the registration process can be completed smoothly.

For any queries or assistance regarding APAAR ID, please contact the respective class teacher.

We appreciate your cooperation and support in facilitating this important initiative for our students.

Warm regards,

Vivekanand School
