**Australian Mathematics Competition
conducted by Australian Maths Trust (AMT)**

Dear Parent,

Namaskar!

At Vivekanand School, we believe that true learning extends beyond the classroom. It is our constant endeavour to provide students with opportunities that challenge their thinking, broaden their horizons and prepare them to excel in an increasingly competitive global environment.

With this objective, we are delighted to invite students of Classes VI to X to participate in the Australian Mathematics Competition (AMC), conducted by the Australian Maths Trust (AMT)—one of the world's most respected and widely recognised mathematics competitions.

The AMC is not merely a test of mathematical knowledge. It is thoughtfully designed by leading educators and academicians to assess and nurture logical reasoning, analytical thinking, creativity and problem-solving abilities. Every year, millions of students across the world participate in this prestigious competition, making it an enriching platform for students to benchmark their mathematical aptitude against international standards.

Why should your child participate?

- Develop higher-order thinking and logical reasoning skills.
- Experience internationally benchmarked mathematical challenges.
- Strengthen confidence in solving problems beyond the school curriculum.
- Prepare for future competitive examinations and mathematical Olympiads.
- Gain exposure to global standards of academic excellence.
- Receive recognition for outstanding performance at an international level.

Why AMC?

Success in the future belongs to those who can think, analyse and solve problems—not merely memorise answers. The Australian Mathematics Competition provides an excellent opportunity for students to cultivate these lifelong skills while experiencing a globally recognised academic challenge.

Competition Details

Particular	Details
Competition	Australian Mathematics Competition (AMC)
Eligible Classes	VI–X
Examination Window	Tuesday, 4 August to Thursday, 6 August 2026
Participation Fee	₹650 (inclusive of registration charges and applicable taxes)
Consent Submission Deadline	Wednesday, 17 July 2026

For the syllabus, previous years' question papers and additional information, parents may visit the Australian Maths Trust website.

Please Note: The competition will be conducted only if a minimum of 10 students from a class register for participation.

We encourage our students to embrace this valuable opportunity to challenge themselves, explore new dimensions of mathematical thinking and proudly represent Vivekanand School in an internationally recognised competition.

Should you wish your child to participate, kindly submit the attached consent slip to the Mathematics Teacher on or before **Friday, 17 July 2026**.

We look forward to your enthusiastic support and participation.

Warm regards,

Principal (Officiating)

CONSENT SLIP

I would like my child to participate in the Australian Mathematics competition conducted by Australian Maths Trust (AMT).
