PTM Reading Culture Initiative (Books Over Browsing – BOB)

Dear Parents

Namaskar !!

At Vivekanand School, we continuously strive to build meaningful habits that enrich both students and parents. One such habit that greatly influences children is the simple practice of reading.

During PTMs, parents often have a few minutes of waiting time before meeting the teachers. To make this time more enriching and to inspire our students through example, we are introducing a new practice from the upcoming PTM:

“Books Over Browsing” – A Gentle Reading Initiative

We warmly invite all parents to carry a book of their choice to the PTM and utilize the waiting time for silent reading. This small act will not only make your wait meaningful but will also send a powerful message to your child — that learning never stops, and reading is a lifelong companion.

There is no compulsion; it is simply an effort to cultivate a thoughtful environment where children see their parents valuing books over screens.

As a gesture of encouragement, the school will acknowledge parents who use their waiting time for reading.

We thank you for your constant support and cooperation.

Warm regards,

Vivekanand School
