Dear Parent (Class X)

Namaskar!

I hope this message finds you and your family in good health and high spirits.

With the board exams now behind them, your children stand at a crucial crossroads—the selection of their subject and stream. This decision plays a vital role in shaping their future, and it is important that they choose wisely based on their interests, strengths, and career aspirations. The choices made now can unlock future opportunities and give purpose to their goals and ambitions.

To support you and your child through this crucial phase, our school is organizing a one-on-one career counselling session. We are delighted to announce that Mr. Anubhav Rakheja, a distinguished career counsellor with over 15 years of experience, will be leading these sessions. With a proven record of helping thousands of students find clarity and direction in their career choices, Mr. Rakheja brings expertise, insights, and guidance that can be invaluable at this stage.

These sessions are open to students of Class X, along with their parents, and will provide clarity and personalized direction on potential career paths. Please see the session details below:
