Career Counselling Initiative

Dear Parents,
Namaskar !

At Vivekanand School, we believe that timely guidance and informed mentorship play a vital role in helping students make meaningful decisions regarding their academic and professional future.

With this vision, we are pleased to introduce a dedicated Career Counselling Initiative for our students through renowned career counsellor Mr. Anubhav Rakheja, who brings over 17 years of experience in guiding students towards informed and suitable career choices.

As part of this initiative, Mr. Rakheja will visit the school every Monday starting 20th April, from 9:00 a.m. to 3:00 p.m., to conduct structured counselling sessions for students.

For Classes IX & X

The sessions will help students:

- Understand various career opportunities available after school
- Learn about the academic pathways linked to different careers
- Explore stream options available in Class XI
- Identify their interests, strengths, and aptitude
- Make informed choices while selecting their stream

The objective is to ensure that students choose their stream with awareness and clarity rather than merely on the basis of marks or peer influence.

For Classes XI & XII

The sessions will focus on helping students:

- Explore career opportunities related to their chosen stream
- Understand professional courses and degree programmes in India and abroad
- Gain information about competitive examinations and entrance tests
- Learn about emerging career fields and industry trends
- Plan their future academic and professional pathway

Parent Interaction

Parents wishing to discuss their ward's career path personally with Mr. Anubhav Rakheja may seek a prior appointment by sending an email at least three days in advance at:

careercounseling@vivekanandschool.in

Parent interaction timings: Every Monday, 2:00 p.m. to 3:00 p.m.

Exact appointment slot shall be shared one day in advance.

We are confident that this initiative will help our students gain greater clarity, confidence, and direction while planning their future.

Warm regards

Principal (Officiating)
