A PRESTIGIOUS MILESTONE

Dear Parent,
Namaskar!!!

We are pleased to share that the Times of India in its recently conducted region wise "Times School Survey 2023", has ranked Vivekanand School amongst the Top 10 schools in East Delhi. This survey is known for its rigorous evaluation of academic excellence, innovation and contribution of the school towards the holistic development of the students.

This recognition is a culmination of the dedicated efforts of our students, the hard work of our faculty, and the continuous support of our parents. Our school's performance in this survey reflects our ongoing pursuit of providing the highest quality education and nurturing the potential within each student.

As we move ahead on this journey, we remain steadfast in our mission to create a learning environment where every student can thrive and succeed holistically. Thank you for being an essential part of our Vivekanand School family. Together, we will continue to set higher standards for educational excellence and reach the zenith of success.

Warm regards,
Principal (Officiating)
