Bonus Marks for Correct Spellings in Formal Examinations

Dear Parents,

Namaste!

We are pleased to inform you about a new initiative being introduced at Vivekanand School to promote accuracy and care in written exams. Recognising that correct spelling is a key component of language development, the school has introduced a bonus marks policy for the remaining session to encourage students to write with precision.

Key Highlights of the Policy:

- Students of Grades 3-5 will be eligible to earn 2 bonus marks in English and Hindi formal examinations (CTs/Half Yearly/Annual) if their language answer sheets are found to have no spelling errors.
- These bonus marks will be clearly mentioned on the answer sheets and included in the final score.
- It is important to note that students may still qualify for bonus marks even if their answers are incorrect, as long as the spellings are accurate.

This step is part of our continued efforts to instill good writing habits and language discipline in students. We seek your support in encouraging your child to give due importance to spellings during their preparations.

Thank you for your continued cooperation.

Warm regards,

Principal (Officiating)
