CLEANLINESS AND HYGIENE

Dear Parent

Namaste!

We hope this letter finds you in good health and high spirits. As a part of our ongoing efforts to provide a conducive learning environment for our students, we would like to emphasize the importance of cleanliness, hygiene, and civic sense. These values are crucial not only for the well-being of our children but also for fostering a responsible and caring community.

Cleanliness and hygiene are foundational aspects of a healthy lifestyle. Civic sense, on the other hand, helps inculcate a sense of responsibility and respect towards the community and environment. Teaching our children to take care of their surroundings and be considerate towards others lays the groundwork for them to grow into responsible citizens.

In line with this, we request your cooperation in reinforcing these values. We kindly ask you to send a cloth duster with your ward every day. This will be used by the students to clean their desks before they leave for home. This small act will instill in them the habit of maintaining cleanliness and respecting shared spaces.

We appreciate your support in this endeavour and are confident that together we can nurture a healthy and responsible future generation.

Thank you for your understanding and cooperation.

Warm regards,

Principal
