Circular for Council, Session: 2026-27

Dear Parents,
Namaskar!

As part of our continued effort to nurture leadership, responsibility, and active student participation, Vivekanand School provides students with opportunities to contribute meaningfully to various areas of school life through its Student Councils.

At our school, student councils are not merely committees; they serve as meaningful platforms where students learn to take initiative, collaborate with others, and contribute positively to the school community. The learning that takes place through these councils extends far beyond events and activities, nurturing leadership not as a title, but as a habit.

Through these experiences, students gradually develop responsibility, collaboration, ethical decision-making, resilience, time management, and empathy – qualities that shape confident, capable, and responsible individuals.

We are pleased to invite applications for the Student Councils for the session 2026–27.

The last date for registration is **12th March 2026**.

To further encourage excellence and commitment, a special recognition under the VRA Awards – **“Council Torch Bearer”** Card will honour students who demonstrate exceptional dedication, ownership, and consistency in fulfilling their council responsibilities.

This recognition will be awarded once every two months to a maximum of three students from each council, based on their contribution, responsibility, and active participation in council initiatives. We encourage you to motivate your child to step forward – not merely to hold a position, but to grow through responsibility and meaningful participation. Because long after school years pass, it is this training in character, collaboration, and commitment that truly defines success.

Thank you for your continued support.

Warm Regards,
