VALUE EDUCATION PROGRAM

Dear Parent

Namaste!

We hope this message finds you in good health and high spirits.

Being an institution dedicated to providing comprehensive education and fostering the overall growth of our students, we are thrilled to announce our collaboration with Val-Ed Initiatives, a renowned Bangalore based organization specializing in 21st Century Human Values and Life Skills Education. We strongly believe that integrating the essential human values, life skills, and socio-emotional learning, will aid in instilling ethical values in our young learners from an early age. We will soon be commencing the 'Saksham' program by Val-Ed, which is a thoughtfully designed curriculum to cultivate stronger and healthier character traits in children, parents, and educators alike. This initiative is sure to help our little Vivians navigate life's challenges with resilience, empathy, and wisdom.

The Saksham program will be seamlessly integrated into our primary grade levels, encompassing a wide range of values and life skills recommended by leading boards such as CBSE, ICSE, IGCSE, IB, State Curriculums, and other well-being focused organizations worldwide. In order to ensure the effective implementation of the Saksham program, our teachers have undergone well-researched, engaging, and experiential training programs conducted by Val-Ed in order to generate continuous support and guidance to our students, catering to their unique learning needs.

With the conviction that the Saksham program will empower our primary students to become responsible, compassionate, and resilient individuals, we look forward to your unwavering support, involvement and encouragement as we embark on this journey together.

Best regards,

**Deepa Vijay
(Principal)**
