Dear Parent,
Namaskar!!!

We are thrilled to announce the introduction of two new award categories for our Achievers' Award Ceremony for session 2023-24. These awards are designed to recognize and celebrate the outstanding achievements of our students in various aspects of their academic journey.

1. INTELLECTUAL LUMINARY AWARD (Classes III-XII):

To qualify for the Intellectual Luminary Award, students must achieve an aggregate score of 98% and above in the current academic session.

Note: Excellence Award will be awarded to students securing an aggregate of 95%-97.99% in the current academic session.

2. PERFORMANCE LEAP AWARD (Classes IV-IX & XI):

To be eligible for the Performance Leap Award, students must fulfill the following requirements:

- For students in Classes 4 and 5, there should be a minimum 15% rise in their aggregate score in comparison to the previous session.

For example: If a student of class 4 scores an aggregate of 55% in session 2022-23 and secures an aggregate score of 70% or above in session 2023-24, the student will be entitled to receive Performance Leap Award.

- For students in Classes 6, 7, 8, 9 and 11 a minimum 10% rise in their aggregate score in comparison to the previous session.

For example: If a student of class 5 scores an aggregate of 60% in the session 2022-23 and secures an aggregate of 70% or above in class 6, the student will be entitled for Performance Leap Award.

- Maintain an aggregate of at least 50% in the current academic session, with passing scores in all subjects.
- If a student qualifies for a higher academic award category in comparison to the previous academic session, he/she will be entitled to receive both the Performance Leap Award and the corresponding academic award.

For example: If a student of class 8 got Scholar Award in session 2022-23 on scoring between 90%-94.99% and now secures 95%-97.99% in the current session, he/she will be entitled for both Excellence Award and Performance Leap Award.

Students admitted to the school in the session 2023-24 will not qualify for the Performance Leap Award.

We believe these new award categories will inspire our students to excel academically and set ambitious goals for themselves. The recognition of their efforts will motivate them to strive for greater achievements and continue their pursuit of knowledge.

If you have any questions or need further clarification regarding these award categories, please do not hesitate to contact us. Thank you for your continued support in fostering academic excellence among our students.

Warm regards,
Principal (Officiating)
