Dear Parent

Namaskar!

I trust this letter finds you and your family in the best of health and spirits.

As we gear up for the upcoming academic session for Class XI, set to **commence on April 15th, 2024**, we're thrilled to announce the initiation of the admission process for the session 2024-25, exclusively catering to our esteemed students of class X (session 2023-24).

The admission process will commence before the declaration of the Board result, hence the Pre-Board results will be considered for Admission purpose as per the given cut-off (which is subject to change after the declaration of the Board result). Attached, you'll find the section-wise list of students along with their eligibility for different streams and subjects, based on their performance in Pre-Board-1 and Pre-Board-2 conducted in class X.
