## SOCIAL SCIENCE WEEK UNITE TO IGNITE

**Dear Parent**

*Namaste!*

As we gear up to celebrate the joyous occasion of Independence Day, we are thrilled to announce a week-long celebration filled with various activities and events from 8th August to 14th August. This is the perfect time for us to come together, express gratitude for the freedom we enjoy, and honour our beloved country, India. Get ready to indulge in fun-filled celebrations and create memories.

We encourage you to participate in this event by supporting your child's involvement in the activities. Your active encouragement will help motivate your child and make this event memorable for them. Here's a list of activities planned for each day.

|              |  |  |
|--------------|--|--|
| <b>Day-1</b> | <b>Slogan and poster making activity</b> | The students will express their love for the nation through words and pictures. In this students will unleash their imagination and pen down powerful slogans that ignite the spirit of patriotism. Let their words inspire and unite us!  |
| <b>Day-2</b> | <b>Visit to Red Fort</b>                 | A guided tour will be conducted to explore the significance of the monument as monuments are vital components of our past and provide valuable insights of our civilizations & architecture. Preserving these monuments allows future generations to connect with their heritage and gain a sense of continuity with their ancestors. It also fosters a sense of pride and responsibility towards our glorious past. |

|              |                         |   |
|--------------|-------------------------|---|
| <b>Day-3</b> | <b>Patriotic Walk</b>   | Here, students will march together, dressed in our finest patriotic attire, to celebrate the freedom they cherish. With flags in hand and hearts filled with love for their country, they will walk through the school neighbourhood, spreading a sense of pride and unity. This walk symbolizes their commitment towards the progress and development of our nation.   |
| <b>Day-4</b> | <b>Flag Challenge</b>   | In this interactive session, the class will be divided into four teams, each competing for the honour of raising the Indian flag first. A captivating picture presentation will be displayed, and the team that successfully hoists the flag will earn the opportunity to answer intriguing questions related to the presentation, fostering teamwork and knowledge retention.  |
| <b>Day-5</b> | <b>Special Assembly</b> | The culmination of the patriotic activities will be marked by a special assembly on August 14th , where students of Grade II & III will highlight the significance of the freedom struggle through various performances like dance, speeches, skit and presentations that highlight the sacrifices made by our freedom fighters and also showcase how achieving SDGs can lead to a more sustainable and equitable future. Through this the children will learn the importance of preserving and cherishing the culture and values of our nation and promote a deeper understanding of their role as responsible citizens in shaping the future of our nation. |

Warm regards,

**Principal**
